My demon date is 9/22. My flight is 12:05 so would need someone to come the day before.

Hey Monica:

What is Nancy's Demob Date?

I recommend sending Gary down.

I told Gilrein he could head back to Dallas Tuesday afternoon. As you know, fires typically happen in the morning.

Things should be slowing down; however if we are in 2 places, it becomes problematic. Wherever TCEQ goes, we need an EPA person there (Steve or Gary).

Rich (or his replacement) needs to go wherever USACE Debris team goes.

FEMA still wants me (Nancy) to be here in the Operations Response Branch, wherever that moves to, until the branch is no longer needed and stands down (they are figuring that out now, but maybe Sept 21st???)

When that happens, then one Liaison and one Debris SME

All – Planning for the next rotation of people at the SOC and JFO beginning 9/19. Need to know if we will continue to need 2 people.

Nancy Abrams is scheduled to arrive today 9/14 at the SOC and demob. (Nancy – please let Mikeal Adams know when you arrive.).

Steve Gilrein is scheduled to be at the JFO until Tuesday 9/19 and will travel back on Wednesday.

Greg Lyssy is scheduled to demob on Monday 9/18.

Gary Miller is available to deploy on Tuesday 9/19.

Need to know if we need to send Gary Miller down on 9/19. Will need to know whether we need to replace Nancy at the end of her rotation as well.

Thanks - Monica
